Please wear secure, athletic-style footwear that will not slip off and has a non-slip or rubber sole. For safety reasons we must prohibit high-heeled and platform shoes and clogs, and strongly advise against sandals and open-toed shoes.

PuppyLove Class: For pre-adolescent pups that have had at least two of their puppy inoculation series. Entire family, including children, is encouraged to participate in the class training sessions.

Puppy Plus Class: Limited to puppies that have completed a PuppyLove series in the last few months.

Children in Basic Manners, Puppy Plus and Manners Plus classes: A handler under the age of 16 must have completed our PuppyLove program with the dog, must use a Gentle Leader head collar and must have advance permission from the instructor. (Sorry -- that permission is not available from the volunteers who work on the desk and handle phone calls.) In most cases an adult is required to hold the leash at all times. An adult must attend and participate in all classes with any minor (under the age of 18). There is one handler at a time per dog in class but of course family members and other members of the household may participate in the class; each adult may trade off as a handler during the class. Children must remain with their parents at all times.

Agility: Must complete Basic Manners and Manners Plus as a prerequisite (or equivalent competition-level agility with advance permission from instructor). Remember: no sandals permitted.
